

Clean running electrical equipment right on line...
No down time!

United 107

Aerosol Safety Solvent

is fast and safe!

Multi-purpose degreaser and cleaner cuts through dirt, oil, and grease buildup that clogs motors and reduces their efficiency.

With United 107, there's:

- No residue
- None of the toxic hazards of carbon tetrachloride
- No fire hazards—United 107 does not have a flash point, so it's non-flammable in normal use
- No danger of corroding delicate equipment

Use it throughout your facility!

- Power tools
- Industrial equipment
- Printing equipment
- Engines
- Exhaust fans
- Generators
- Contact points
- Office equipment
- Switch boxes
