

STAINS INSIDE?

STAINS OUTSIDE?

United 212 **OXY PRO**

Professional In-N-Out

Use **Professional In-N-Out** both indoors and outdoors to remove unsightly stains from most hard surfaces. This unique formula penetrates through stains, dissolving scale, mineral deposits and build-up.

Cleans/removes stains caused by dirt & grime.

Cleans/removes stains caused by algae, mold & mildew.

Professional In-N-Out is:

- Bio-based
- Non-Acid but Low pH
- Dye-Free
- NPE-Free
- Non-Caustic
- Phosphate-Free
- Bleach-Free
- Fragrance-Free

Product is easy-to-use; just spray it on, let it work, then rinse - or outdoors, let nature rinse it for you. Clings to vertical surfaces to maximize contact time.

Use United 212 on:

- Bricks
- Ceramic Tile
- Cinder Blocks
- Countertops
- Decorative Statuary
- Grave Stones
- Paver Stones
- Terrazo

Note: Do NOT use this product on painted surfaces.
