Fresh **ATMOSPHERE** Odorless Deodorizing Spray

FRESH ATMOSPHERE is the product of choice when you don't want to cover odors with chemically-based fragrances. It is odorless and leaves no odor behind.

This plant-based formula creates a covalent bonding process as it comes in contact with odor causing molecules. That bond permanently encapsulates the odor causing molecules, eliminating the odor.

Use where added fragrances are not wanted when controlling odors:

- Hospitals
- Physical Therapy Rooms
- Long-term Care Facilities
- Kitchen/Food Services
- Prisons
- Clinics
- Medical Facilities
- Nurseries
- Schools/Universities

Control Odors From:

- Incontinence
- Vomit
- Garbage Cans
- Drains
- Cooking
- Sweat

Safe in Use:

- Bio-based
- Bio-degradable
- No VOC's
- Fragrance-free
- Dye-free
