

Keep your **CREW** feeling fresh and **CLEAN** with...

United 621 **CREW-CLEAN** Body Wipes

When the crew works hard:

They sweat.

They get dirty.

They may even get a little stinky.

When they need a quick, clean, refresher, but there is no running water to be found turn to **CREW-CLEAN Body Wipes**.

CREW-CLEAN will help keep your working crew feeling:

- Clean
- Refreshed
- Deodorized

Wipe down that sweaty neck and brow. Wipe the dirt off the arms and hands before a coffee or lunch break. These wipes are gentle enough to use all over your body, throughout the day.

CREW-CLEAN Body Wipes feature eucalyptus oil, providing a light fresh fragrance that quickly dissipates.

CREW-CLEAN will also help the crew feel cooler on a hot day.

As the moisture from the wipes on the body dries, they'll get that natural evaporative cooling effect.

No matter where you work, indoors or out, **CREW-CLEAN** is the easy way to stay clean.

Each Canister Contains 150 Pre-Saturated Wipes 6" x 6.75"
