

399

United's **OXY PRO 399 Professional Total Washroom Cleaner** puts the powerful cleaning benefits of oxygen right in your hands. This formula with added oxygen, releases hydrogen in a reaction that increases solubility and cleaning power. Excellent for lifting and removing most stains found in showers and washrooms.

**NO ACID • NO BLEACH • NO DYES  
NO FRAGRANCES**

United's **OXY PRO** formulation works to penetrate and clean stains, while brightening surfaces without harsh bleach or heavy scrubbing. It also works to deodorize as it cleans.

**Quickly clean away:**

Scale • Calcium • Lime • Soap Scum  
Hard Water Deposits • Rust Stains

**Numerous uses on:**

Fiberglass and Glass • Countertops  
Shower and Tub Enclosures • Tile and Grout  
Sinks and Fixtures • Toilets and Urinals

**DIRECTIONS FOR USE:**

Spray product on surface to be cleaned. Let it remain in contact with surface; typically for 5 to 10 minutes, depending on level of dirt. For light cleaning, a simple spray and rinse application may suffice. Tougher build-up may require longer contact time and some agitation with a scrub brush. Rinse with water.

Do not use this product on painted surfaces as it may remove paint. If uncertain about using on any surface, it is recommended to test in an inconspicuous area before use.
