CREW SPRAY Hand Wash offers the convenience of a quick, refreshing hand wash when other water sources are not available. Eucalyptus oils provide an energizing scent that doesn't linger.

Perfect for keeping in a tool box, glove compartment, desk drawer or on a work bench. When hands are a little sweaty, stinky or sticky, **CREW SPRAY** can be on hand to quickly clean light dirt build-up.

Spray product in palm of hand, then rub all surfaces of your hands together. Rub briskly until dry.

An SDS for this product is available through United's website. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.

KEEP OUT OF REACH OF CHILDREN.
