

639

United's **OXY PRO 639 Professional Cleaning & Descaling Wipes** puts the powerful cleaning benefits of oxygen right in your hands. The added oxygen, releases hydrogen in a reaction that increases solubility and cleaning power. These wipes are the perfect multipurpose cleaner and descaler on most hard surfaces.

**NO ACID • NO BLEACH**

**Quickly clean away:**

Scale • Lime • Soap Scum • Hard Water Deposits  
Rust Stains • Grease and Grime

**Numerous uses on:**

Fiberglass and Glass • Countertops  
Shower and Tub Enclosures • Tile and Grout  
Sinks and Fixtures • Toilets and Urinals  
Drinking Fountains

**DIRECTIONS FOR DISPENSING:**

Remove lid. Pull towels up from the center of the roll and twist into a point. Open the closure mechanism of the lid and insert the open-holed triangular side piece through the notched opening in the lid. Insert towel through the triangular opening and then from top of lid, pull the lid closure back out, feeding the towel through the lid.

**DIRECTIONS FOR USE:**

For mild deposits, wipe area clean. Then rinse surface with water. For heavy deposits, moisten the area with the wipe and keep moist for up to 10 minutes. Wipe again and rinse with water.

Do not use this product on painted surfaces as it may remove paint. If uncertain about using on any surface, it is recommended to test in an inconspicuous area before use.
